“Coach Zender conducted our managers training session last season after years of using collegiate coaches and professional athletes from our community. The overwhelming response from all our managers was unbelievably positive. Coach Zender brought a wealth of knowledge about the game, along with his humor. Everyone couldn’t help but learn something – from our first year coaches to seasoned coaches. We highly recommend Coach Zender and will continue to ask him to train our coaches.”

“I would recommend this book to every coach and parent who loves kids & baseball. Softball too for that matter. Coach Zee knows what he’s talking about. Learn from his vast experience and your kids will get better while having more fun and the W’s will be the frosting on your cake!”

“Thank you for the excellent clinic you presented to us yesterday at North Kitsap HS. I told my wife later that I wished it would have lasted for a couple more hours. You kept us all engaged and I learned so much in the two hours you were there. **Ben D. - Poulsbo**

“Such a great job of breaking things down, giving drill ideas, motivation tips, etc. I really enjoyed the evening.” **Mike R – Snohomish**
